

Become a Frequent Winer

Hillsborough Vineyards is proud to extend you an invitation to unparalleled rewards enjoyed by members of the *Frequent Winer* club. As our next *Frequent Winer*, you will have the benefit of the deepest discounts on your choice of our award winning wines. You will never pay a tasting fee again, and will gain exclusive access to futures and reserve vintages. Best of all, your membership is free with a commitment to purchase just twelve bottles of wine in one year! So what are you waiting for? Become a *Frequent Winer* today!

20% Discount

Frequent Winers receive an incomparable 20% off all of our wines including limited and reserve releases. This is the best deal offered by any other local wine club! Your discount is available to you immediately with your first purchase and will be applied for all wines purchased for a full year. Why pay more to enjoy the wines that you love?

Free Bottles of Wine

As an expression of our appreciation, you will receive a free bottle of wine for every person you refer that joins the *Frequent Winer* family. Yes, you read that right! Refer your friends and family, and when they join, we'll have a free bottle of wine waiting for you. This offer excludes **Opal**, **Bloodstone**, and **Onyx** and is subject to change.

Additional Benefits

Frequent Winers receive much more than discounted wine and free bottles for referrals. You *wined* for even more from a wine club membership, and we listened. Below are additional perks of being a *Frequent Winer*.

Complimentary Tasting

As a *Frequent Winer*, you will never pay another tasting fee again! For the term of your commitment, you and one guest will enjoy complimentary tastings in our Tasting Room. This includes limited release wines like **Onyx** which normally require additional tasting fees.

Exclusive Winery Access

Your membership does not stop in the Tasting Room. *Frequent Winers* and one guest also receive free admittance to one of the scheduled Barrel Tasting events, held by our winemaker Kerem Baki. If you prefer deeper immersion, members are also invited to get their hands (and clothes) dirty by helping out with our annual harvest and crush.

Complete Flexibility

As a *Frequent Winer*, you will enjoy the flexibility to pick from any of our available wines and vintages. You may choose to purchase an entire case of twelve bottles at once, or opt for two or more bottles every other month. You can even choose to have the wines shipped directly to you or pick them up yourself from our Tasting Room. After all this is your club, and we will do whatever we can to make it easier for you!
